All pupils at Old Palace will be given the opportunity to take part in this exciting learning event. To take part, your child simply needs to go to the Sumdog website at <https://www.sumdog.com/> and use the **login details** provided below. In each game, the children are required to answer a series of maths questions in order to make progress. Please encourage your child to get involved! Not only are the games educational, there are also **prizes up for grabs!** Class teachers will be regularly checking the Leaderboard to track their class' progress.

Should you have any questions, please come and speak to me.
